

19th Annual

Maine Sport RunOff

Mountain Bike Race - Sunday, August 10, 2008

To benefit the Coastal Mountain Land Trust

Location: Camden Snow Bowl ski area, Camden, Maine

Course: The RunOff is Maine's oldest mountain bike race, yet the course changes and improves every year. This year the course will feature the same epic long technical singletrack climb but interspersed with new level "breather" sections. The view from the top of the racecourse is stunning. The white-knuckle descent will still be tough but with more flow and less braking. Last years new singletrack sections are buff and ready to rip. The course is about 95% singletrack, challenging yet fun. Each lap is 5 miles but terrain makes this a challenging epic race. The free kids race is held on much less challenging short course designed to keep the 12 and under crowd happy.
