

2011 TEAM CHAMPIONSHIP APPLICATION

TEAMS WHERE ARE YOU?

Come race EFTA's NECS races, the only series that has a team championship.
No additional fees to enter - Free- Gratis- No charge!

The rules are simple:

- Sign up a 4-person team---any combination of age, ability level, and gender.
- Best 3 team member scores at each NECS event earn points.
- Teams must be the same 4 members for the season.
- All team members must be EFTA full year members for the entire season. No scores will count for a team member during the time in which they do not have a valid annual membership.
- Individuals may only participate on one team entered within the EFTA competition.
- Team race scores will only count for events that occur after entry has been submitted.
- Best 7 events count. (NECS events only.)
- Points are based upon the finishing position of team members in their respective category/class. In other words, first place in your age class means the same points regardless of whether you are novice, sport, expert, or elite. Clydesdales, as well as the single speed class, are also included. Classes NOT counted toward team points are tandem, open touring, first timers, or other specialty classes that may occasionally be held. .

TEAM SIGN-UP SHEET

TEAM NAME _____ DATE SUBMITTED _____

Fill out this form and submit to an EFTA Board Member prior to your race or mail to: EFTA
113 East Deering Road
Deering, NH 03244
